PHILIP MORRIS INCORPORATED

Law Department Memorandum
Richmond, Virginia

TO: Dr. G. Chan Date: 28 October 1983

FROM: Les Inskeep

SUBJECT: STEREOSELECTIVE SYNTHESIS OF ARYL ALDOPYRANOSIDES/D123

We think this is a good piece of work. The consensus among your management, Mrs. Hutcheson, and the Patent Section is that the protection needed can be had through publication. We recommend that you submit it to a suitable journal after the usual Manuscript Board review.
